Office Comments:	
<hr/> <hr/> <hr/>	

There will be no charge to be placed on FUN School's wait list. A wait list will be maintained by the Supervisor/Designate for families who have expressed an interest in having their child (ren) attend FUN School. When the child reaches the top of the list the Supervisor/Designate will contact the parent/guardian to offer them the available space. If the space is declined, the spot will be given to the next child on the list. While the date of contact is taken into consideration, the desired date of enrollment is the date that will determine availability. The enrollment date may also be determined by the child's age.
