

FUN School PARENT/GUARDIAN COVID-19 SCREENING AGREEMENT

Under Provincial direction, child care centres may operate following strict health and safety protocols to prevent the spread of COVID-19 and to ensure the safety of child care staff, children and their families.

What is COVID-19?

COVID-19 is a new strain of coronavirus that has not been previously seen in humans. The virus can cause symptoms like the common cold but can advance, in some cases, to severe respiratory illness or even death. COVID-19 can be spread from person to person, usually after close contact with someone infected with the virus.

Health and Illness Protocol for COVID-19

Children who are ill should not attend FUN School

Children should not attend FUN School if any member of their household is ill with COVID-19 symptoms.

To manage the risk of spreading illness within FUN School, Peel Public Health has provided direction on cleaning/sanitation protocols and personal health care practices including frequent hand washing. Peel Public Health also requires daily active screening of all individuals arriving at FUN School.

ALL CHILDREN AND PARENTS/GUARDIANS must be screened **DAILY UPON ARRIVAL** at FUN School. Temperature checks are required for children entering FUN School. Temperatures will only be required for parents/guardians if there is an extenuating circumstance that requires them to enter FUN School. In addition to daily active screening, all children will be monitored throughout the day for emerging signs or symptoms of illness.

Your COVID-19 screening results, including contact information, collected by FUN School during the screening process, may be provided to Peel Public Health, to help manage and reduce the risk of spreading the COVID-19 virus in FUN School.

As a Parent/Guardian, you can prevent the spread of illness by keeping your child(ren) home from the program if you or your child(ren) experience **any** of the following signs or symptoms:

- A temperature at or above 37.8 degrees Celsius (100 degrees Fahrenheit)
- New or worsening cough or shortness of breath
- Lethargy (lack of energy) or difficulty feeding (if an infant and no other diagnosis)
- **Any** of the following symptoms:
 - Sore throat
 - Difficulty swallowing
 - Pink eye (conjunctivitis)
 - Chills
 - Rash (in children)
 - *Croup (in children)
 - Headaches
 - Unexplained fatigue/malaise/ muscle aches
 - Abdominal pain
 - Diarrhea
 - Nausea/vomiting
 - Decrease or loss of sense of taste or smell
 - Runny nose without other known cause
 - Nasal congestion without other known cause

*Respiratory infection resulting in barking cough and difficulty breathing

If your child(ren) experiences **any** of the signs or symptoms listed above while at the child care centre, staff will contact you or one of your emergency contacts to pick up your child(ren) **immediately**. While your child(ren) waits for you or your designate to arrive, s/he will be separated from the other children.

Any family member experiencing symptoms should be tested for COVID-19 before the family can return to FUN School. The Supervisor will provide the parent/guardian with contact information for Peel Public Health. Children with symptoms must be excluded from child care and self-isolate for 14 days after the onset of symptoms (unless tested negative). This exclusion will also apply to children exposed to a confirmed case of COVID-19 or to symptomatic person(s).

To protect the health of all individuals at FUN School, staff will support the arrival and pick up routine for families. Upon arrival, once a child(ren) has completed active screening and been deemed able to enter FUN School, staff will escort the child(ren) to the appropriate program room. Parents/guardians are discouraged from entering the centre. Pick-up and drop-off of child(ren) will occur outside the child care setting unless it is determined that there is a need for a parent/guardian to enter the setting.

As a Parent/Guardian responsible for my child(ren)'s child care placement, I agree to the following:

- I have read and understood the above information;
- I understand the risk of illness associated with placing my child(ren) in FUN School care;
- I agree to all screening requirements and to accurately respond to all screening questions, including the reporting of temperatures daily for all persons entering the centre. Misrepresentation on any screening questions, including temperatures or masking fevers with medication could result in the termination of my child care placement at FUN School;
- I will not administer any medication to my child(ren) that may mask the symptoms of illness, such as Tylenol or Advil, prior to dropping my child(ren) off at FUN School.
- I agree to exclude **all** of my children from FUN School **immediately** upon observing **any** of the above signs or symptoms of illness in any family member until medically deemed able to return to care; and
- I consent to providing copies of any of my child(ren)'s COVID-19 test results to FUN School.

Child/ren Name: _____

Parent Name: _____

Parent Signature: _____

Date: _____

COVID-19 Screening
Notice with Respect to the Collection, Use and Disclosure of Personal Health Information

The information pertaining to your COVID-19 Screening is being collected, used and disclosed under the authority of the *Health Protection and Promotion Act R.S.O 1990 c.H.7* and will be retained, used, disclosed and disposed of in accordance with all applicable municipal, federal and provincial laws and regulations governing the collection, use, disclosure and disposal of information including the *Municipal Freedom of Information and Protection of Privacy Act R.S.O. 1990 c.M.5* and the *Personal Health Information Protection Act 2004 S.O. 2004 c.3*.

This information will be used by Peel Public Health to investigate the occurrence of COVID-19 in the Region of Peel, provide case management, follow-up with close contacts to assess the risk to others, program planning and evaluation. If you test positive for COVID-19, your result may be disclosed to your child care provider to reduce the risk of spreading the virus in a child care setting. Any questions, regarding this collection, use or disclosure may be directed to the Medical Officer of Health, Peel Public Health, 7120 Hurontario Street, P.O. Box 669 RPO Streetsville, Mississauga, Ontario, L5M 2C2, 905-791-7800.
